

North Summit Residents Support Recreation District and Seek Volunteers

Financial support for the creation of a new multipurpose recreation/cultural center would be overwhelmingly supported in the North Summit Area, according the responses of a survey mailed to residents in the area.

When asked whether they would financially support a multipurpose recreation/cultural center in Coalville, almost 80% of respondents to the survey said they would financially support the concept to serve the North Summit area.

In early June, a survey was mailed to all residents of the North Summit School District to gauge support for the creation of a new multipurpose recreation and cultural center. Of the nearly 600 surveys sent, 246 were returned and tabulated.

In the survey, 89.4% of respondents felt there is a need for such a facility in the North Summit area. 88% would be willing to establish a recreation district to develop an indoor facility for recreation and cultural activities.

A summary of the results is listed below. To view the entire survey visit www.nsummit.k12.ut.us or www.coalville.utah.gov.

The next step is the creation of a north summit recreation task force. Citizens are needed to serve in this capacity. If you are interested or would like additional information, contact Coalville City Hall at (435) 336-5981 or Anita Lewis at (435) 336-0718.
